Dealer notes

Elevate your driving experience with the ultimate fusion of British luxury and commanding road presence: the 2018 Land Rover Range Rover V6 Supercharged HSE SWB. Finished in a sophisticated Santorini Black Metallic, this premium short wheelbase SUV epitomizes executive prestige and modern design. Crafted for discerning buyers who demand a first-class aesthetic alongside daily-driver practicality, this iconic vehicle stands out as a benchmark of refined styling and automotive excellence. Beneath the elegant exterior is a potent 3.0L 6-cylinder supercharged engine that delivers responsive power and smooth acceleration. Paired with a robust Four Wheel Drive system, the 2018 Land Rover Range Rover V6 Supercharged HSE SWB is engineered to handle diverse driving conditions with poise and confidence. The advanced drivetrain ensures optimal traction and stability, making it as capable on weekend adventures as it is poised on city streets, offering a perfect balance of mechanical refinement and rugged utility. Inside, the cabin transforms into a luxurious sanctuary featuring the stunning Espresso/Espr/Alm/Ivory Windsor leather seat trim, offering unmatched comfort and tactile appeal for both driver and passengers. On the outside, functional front fog lights enhance visibility during inclement weather while perfectly accentuating the gleaming Santorini Black Metallic finish. For those seeking an uncompromising blend of world-class comfort, all-weather capability, and timeless design, this 2018 Land Rover Range Rover V6 Supercharged HSE SWB is the ultimate choice.
