Dealer notes

Experience the pinnacle of modern luxury and sustainable performance with this pristine, Carfax 1-Owner 2024 BMW i5 M60 Sedan. Draped in a stunning Brooklyn Grey Metallic exterior that perfectly accentuates its aggressive, aerodynamic lines, this all-electric masterpiece commands attention on every road. Inside, the cabin welcomes you with a sophisticated and pristine Smoke White interior, offering a serene, high-tech sanctuary that elevates every daily commute or weekend getaway. As a coveted single-owner vehicle, this M60 Sedan represents an exceptional opportunity to own a highly sought-after vehicle that seamlessly blends BMW's legendary sport sedan heritage with next-generation innovation. Engineered to deliver heart-pounding electric performance, this 2024 BMW i5 M60 Sedan features an advanced All Wheel Drive system that ensures relentless traction and precise power delivery in all driving conditions. The dual-motor electric powertrain delivers instantaneous torque and smooth, near-silent acceleration. Driving dynamics are elevated to a whole new level thanks to the equipped Dynamic Handling Package, which optimizes suspension and chassis control to offer razor-sharp cornering and a remarkably composed ride. Whether navigating tight city corners or cruising the open highway, this high-performance electric sedan provides an exhilarating driving experience that sets a new benchmark for the EV segment. Beyond its exceptional performance, this vehicle comes loaded with premium comfort and cutting-edge technology. The Executive Package and Premium Package outfit this sedan with top-tier convenience features and sophisticated cabin enhancements that cater to both driver and passengers. The premium aesthetic is further highlighted by sophisticated styling cues, capturing the sleek essence of premium finishes like frozen deep grey and frozen pure grey metallic. Blending cutting-edge technology with unmatched comfort, this Carfax 1-Owner 2024 BMW i5 M60 Sedan is the ultimate choice for discerning drivers looking to lead the charge into the electric future.
