Dealer notes

2013 Honda Fit- Great little cars! This Honda Fit runs, shifts and drives very well! It's not perfect, but it may be a perfect Fit for you! Paint and body are overall very presentable. It does have small rust spots on both sides just in front of the rear tires, at the bottom of the quarter panel or start of the rocker panel. It's not terrible, but it's there. (Photos on our website) The car has a few scratches and dings, but overall looks good. The seats have no rips or tears, but all seats have stains. We removed some dog hair from the car, but there is still light remnants. Has cold a/c and all electronics work. Would be a great commute car with good fuel economy, or a perfect teen car!
