Dealer notes

The 2026 Volvo XC90 Plug-In Hybrid T8 AWD Ultra 7-Seater represents the pinnacle of Scandinavian luxury and sustainable automotive engineering. Finished in a dramatic Onyx Black Metallic exterior and complemented by a refined Charcoal interior, this three-row flagship SUV commands attention with its timeless design and confident posture. Built to accommodate up to seven passengers in exceptional comfort, it serves as the ultimate modern vehicle for families and drivers who demand eco-conscious innovation without sacrificing premium aesthetic appeal. At the heart of the 2026 Volvo XC90 Plug-In Hybrid is a high-tech powertrain driven by a 2.0L 4-cylinder engine integrated with advanced electric motor technology. Coupled with an intelligent All Wheel Drive system, this plug-in hybrid setup ensures optimal traction, control, and smooth acceleration in all weather and driving conditions. The T8 AWD powertrain delivers an exceptional balance of electric efficiency for short trips and gas-powered endurance for longer journeys, making it a highly capable and versatile luxury vehicle for both daily commutes and weekend road trips. Inside, the Ultra trim level surrounds passengers with supreme craftsmanship, ergonomic seating, and intuitive technology designed around human-centric convenience. The deep Charcoal interior creates an inviting, upscale sanctuary complete with signature Volvo safety systems and cutting-edge infotainment features. Combining sustainable power, spacious seven-passenger utility, and elegant styling, the 2026 Volvo XC90 Plug-In Hybrid T8 AWD Ultra is an extraordinary choice for the discerning luxury buyer—contact us today to schedule your test drive and experience electrified excellence firsthand.
