Dealer notes

Clean and well-maintained 2014 Honda Ridgeline Sport Crew Cab 4WD with 132,753 miles. Two owners, clean title, and 25 documented service records. Powered by Honda's 3.5L V6 with automatic transmission and 4WD, this Ridgeline offers a great mix of truck utility, comfortable ride quality, and Honda dependability. A major maintenance item has already been taken care of: timing belt and water pump were replaced at 119,163 miles, which is a big selling point for a Ridgeline at this mileage. The Sport trim gives it a more rugged appearance, while the Crew Cab layout and unique Ridgeline bed design make it practical for work, family use, hauling, travel, or everyday driving. With strong service history, a clean title, and the timing-belt service already completed, this is a very appealing example for someone looking for a dependable midsize truck.
