Dealer notes

The 2023 Mercedes-Benz EQS 580 4MATIC SUV presents a seamless fusion of luxury and advanced technology. Cloaked in a sophisticated Black exterior, this all-electric SUV embodies modern elegance and commanding presence on the road. Its sleek design is further accentuated by aerodynamic illuminated running boards, adding both functionality and a distinct visual appeal. Step inside to discover the refined interior adorned in Neva Grey and Sable Brown, creating a harmonious contrast that exudes sophistication. The active ambient lighting offers customizable moods, enhancing the luxurious driving experience. Despite having a design with 0 cylinders, the EQS 580 excels in performance, maximizing both efficiency and power through its electric drivetrain for all-wheel drive capability. Practical elements such as the 110v household charging cable ensure that charging is both easy and convenient. To complement its style and functionality, the SUV also includes wheel locking bolts for added security and an all-season cargo mat for enhanced versatility. This meticulously crafted vehicle seamlessly blends opulence and innovation, positioning itself as a leader in the realm of electric premium SUVs.
