Dealer notes

Fully serviced and ready to go! 2018 Dodge Grand Caravan. This is the EPITOME of a highway-mileage vehicle-two owners, high miles on the odometer, yet it almost looks like new! Exceptionally clean inside and out, well maintained, smooth running, cold A/C, and plenty of room for the whole family. Even better, the accident-free CARFAX documents a transmission and torque converter replacement around 180k miles, along with major engine work roughly 100k miles earlier. That's a lot of the expensive stuff already addressed and a maintenance history worth paying attention to. This Grand Caravan has gone through our shop already - High miles don't all live the same life-this one looks like it spent most of them cruising. **Please call or text before coming to verify price and availability. ***12-Month Maintenance Plan: \$299 on any vehicle.
