Dealer notes

If you are searching for a dependable, hard-working vehicle to elevate your business operations, this 2012 GMC Savana Cargo Van RWD 2500 135" is the ultimate candidate. Finished in a professional Summit White exterior, this rear-wheel-drive cargo van offers a clean canvas for your company graphics while delivering the robust reliability GMC is known for. Built to handle demanding daily tasks, this vehicle represents a practical and cost-effective solution for contractors, delivery services, and mobile businesses seeking a solid, ready-to-work addition to their fleet. Under the hood, this 2012 GMC Savana Cargo Van RWD 2500 is powered by a dependable 4.8L 8-cylinder engine that delivers consistent performance and the necessary torque for hauling your essential gear. The rear-wheel-drive configuration combined with the sturdy 2500-series chassis and 135-inch wheelbase ensures a stable, controlled ride even when the cargo area is fully loaded. Engineered for durability and long-term utility, this powertrain and frame setup provide the strength required to tackle tough jobs day in and day out. Inside the cabin, you will find a functional Medium Pewter interior designed to keep you comfortable during long shifts. The driver and passenger are treated to front bucket seats with custom cloth trim, complemented by a tilt steering column that easily adjusts to your preferred driving position. Loading and unloading inventory is made effortless thanks to the passenger-side sliding door, which provides quick access to the rear utility space. For added peace of mind and convenience, this van is equipped with high-visibility orange safety belts and includes key equipment consisting of two additional keys for its single key system. Do not miss the opportunity to secure this versatile and highly capable work van for your business.
