Dealer notes

Unlock unmatched versatility and professional utility with this 2010 Chevrolet Express Cargo Van RWD 1500 135" YF7 Upfitter. Designed specifically for business owners, contractors, and custom builders, this commercial workhorse provides the ideal foundation for your specialized operational needs. Featuring a distinctive Special Paint exterior, this Chevy Express delivers a standout presence on the road while offering the rugged durability required to tackle demanding daily tasks. Whether you are expanding a commercial fleet or creating a tailored service vehicle, this YF7 Upfitter package offers the adaptability and dependability your business demands. Under the hood, this Express 1500 is powered by a robust 5.3L 8-cylinder engine that delivers dependable power and low-end torque for moving heavy cargo and equipment. The rear-wheel-drive configuration ensures optimal traction, stability, and control when fully loaded, while the functional 135-inch wheelbase strikes a great balance between interior cargo capacity and urban maneuverability. Engine power paired with the YF7 Upfitter design makes seamless interior customization possible, allowing you to configure upfitting, shelving, or specialized tools precisely to your trade. Inside, the cabin is trimmed in Medium Pewter and equipped with thoughtful convenience features aimed at making long working days more comfortable. Outfitted with the Preferred Equipment Group, this van includes a remote vehicle starter system for effortless pre-conditioning and rear air conditioning to maintain climate control throughout the vehicle. It sits on sharp 17" x 7.5" aluminum uplevel wheels and features an AM/FM stereo audio system with a CD/MP3 player for easy job-site entertainment. Practical, powerful, and ready to work, this 2010 Chevrolet Express Cargo Van is an exceptional asset for any growing business.
