### Dealer notes

Discover the future of driving with this pristine, Carfax 1-Owner 2023 Tesla Model 3 RWD. Finished in a striking Pearl White Multi-Coat exterior, this all-electric sedan combines sleek modern aesthetics with the peace of mind that comes from a clean, single-owner history. For buyers looking to transition to electric mobility or upgrade their current ride, this vehicle represents the perfect entry point, offering a sophisticated minimalist design, exceptional efficiency, and an undeniable curb appeal that stands out on any road. Under the hood, the fully electric rear-wheel-drive powertrain delivers instant torque and whisper-quiet acceleration, completely eliminating the need for a traditional internal combustion engine. The rear-wheel-drive configuration of this 2023 Tesla Model 3 ensures a sporty, responsive driving dynamic with precise handling through tight corners and a smooth, composed ride on the highway. Additionally, drivers will benefit from Tesla's advanced regenerative braking system, which maximizes efficiency and extends driving range, alongside the convenient capability to charge quickly at home or via the global Supercharger network. Inside, the refined Black interior offers a premium, clutter-free sanctuary centered around a brilliant 15-inch touchscreen that controls navigation, media, and cabin climate. Passengers will enjoy standard comfort features like heated front and rear seats, a heated steering wheel, dual wireless charging pads, and an expansive panoramic glass roof that makes the cabin feel incredibly open and airy. Equipped with standard Autopilot driver-assistance features and designed to receive continuous over-the-air software updates, this technologically advanced 2023 Tesla Model 3 RWD is a smart, future-proof investment ready for its next owner.
