Dealer notes

CLEAN & CLEAR TITLE – 2016 Chevrolet Equinox LT FWD – 101,419 Miles – ONE OWNER – Excellent Maintenance – Beautiful Trade-In This 2016 Chevrolet Equinox LT FWD is exactly the type of older trade-in we love to get. It was traded in directly by its original owners, an older couple who maintained it extremely well, and the care it received shows in the way it runs and drives. With 101,419 miles, a clean and clear title, and a strong maintenance history, this Equinox is ready for its next owner. Finished in Black over a matching Jet Black interior, it has a clean, timeless appearance and is nicely equipped with the Convenience Package, Technology Package, 18-inch chrome-clad wheels, and a programmable power liftgate. Vehicle History & Condition This Equinox has a straightforward history that makes it especially appealing for someone shopping for dependable transportation: CLEAN & CLEAR TITLE ONE OWNER 101,419 Miles Traded In Directly by the Original Owners Owned by an Older Couple Maintained Extremely Well Runs & Drives Beautifully Currently Needs Nothing Based on Our Inspection and Driving Experience Rather than being an older vehicle with an unknown background, we had the benefit of taking this Equinox in directly from the people who owned and maintained it. As with any 10-year-old vehicle with over 100,000 miles, normal cosmetic and mechanical wear should still be expected, and buyers are always welcome to arrange an independent pre-purchase inspection. Why This Equinox Stands Out The biggest selling point here isn't just the equipment — it's the ownership and maintenance history. A well-cared-for, one-owner trade can be difficult to find in this age and mileage range. This Equinox starts, runs, shifts, and drives beautifully, making it an excellent option for someone looking for an affordable daily driver, first vehicle, commuter, or family SUV. Vehicle Overview 2.4L 4-Cylinder Engine Automatic Transmission Front-Wheel Drive 101,419 Miles LT Trim Black Exterior Jet Black Interior 18" Chrome-Clad Aluminum Wheels The Equinox provides a comfortable ride with plenty of interior room while remaining manageable and economical enough for everyday commuting. Convenience & Technology This LT is equipped with several desirable upgrades: Convenience Package Technology Package Power Programmable Rear Liftgate Touchscreen Infotainment System Bluetooth Connectivity Rearview Camera Steering Wheel Audio Controls Cruise Control Power Driver Seat as equipped Remote Keyless Entry Automatic Climate Features as equipped LPO Cargo Area Close-Out Panel The rear seats fold to provide additional cargo room, giving the Equinox plenty of flexibility for groceries, luggage, work equipment, or everyday family use. Delivery We complete over half of our sales out of state, and our team can assist with the purchase and transportation process for customers nationwide. Pricing Disclosure A \$1,295 dealer preparation package including the CarChief Vehicle Locating System will be added to the purchase price. This is a clean and clear title, one-owner trade-in with 101,419 miles that was owned by an older couple who maintained it extremely well. Based on our current inspection and driving experience, it needs nothing at this time and runs and drives beautifully. Due to its age and mileage, we still encourage every buyer to inspect and test drive the vehicle for themselves. No used vehicle can be guaranteed to remain maintenance-free, but the ownership history and current driving condition make this Equinox a particularly attractive example for its age. Be sure to check out our Facebook profile to see how many happy customers we've had!
