Dealer notes

The 2020 Chevrolet Trax FWD 4dr LS is a dynamic compact SUV that boasts a sleek Silver Ice Metallic exterior paired with a sophisticated Jet Black interior, offering an eye-catching and contemporary look. This model is powered by a responsive 1.4L 4-cylinder engine, providing both efficiency and agility for urban and highway driving. Equipped with a front-wheel-drive system, it delivers reliable handling and a smooth ride that enhances the overall driving experience. One of the standout features of the 2020 Trax is the backup camera that enhances safety by providing clear visuals when reversing. The vehicle also includes telematics and keyless entry, adding convenience and modernity to its technology suite. The comprehensive safety package ensures peace of mind with advanced safety features, while the tint and cruise package offers additional comfort and control during long journeys. The inclusion of a front license plate bracket accommodates different state requirements with ease. Inside, the Chevrolet Infotainment System provides seamless connectivity through its intuitive audio interface, allowing you to stay entertained and informed on the go. The Trax also features a 3.53 final drive ratio axle for optimal power distribution. Electronic automatic cruise control adds convenience, especially during long-distance travels, maintaining a consistent speed to ensure a relaxed drive. With its impressive combination of technology, safety, and style, the 2020 Chevrolet Trax FWD 4dr LS is an excellent choice for those seeking a versatile and reliable compact SUV.
