Dealer notes

Ready to elevate your daily operations, the 2019 Ford Transit Connect Van XL LWB w/Rear Symmetrical Doors delivers exceptional commercial utility in a smart, agile footprint. Finished in a clean Frozen White exterior, this long-wheelbase cargo van presents a crisp, professional image suited for any fleet or small business. Engineered to navigate tight urban streets and busy job sites with confidence, it offers the ideal blend of maneuverability and practical cargo capacity for drivers who need a dependable mobile workspace. Powering this versatile workhorse is an efficient 2.0L 4-cylinder engine designed to provide reliable daily performance for demanding work schedules. The Long Wheelbase (LWB) layout maximizes your usable interior volume, while the rear symmetrical doors open wide to simplify loading and unloading cargo in narrow alleyways or crowded parking lots. Additionally, the inclusion of a heavy-duty battery ensures dependable starting power and robust electrical capability when operating on busy worksites. Inside, the functional Ebony interior creates an organized and comfortable cabin tailored for long days on the road. Tech and convenience amenities are thoughtfully integrated, featuring a radio with SYNC 3 (without navigation) for intuitive control, convenient cruise control for highway driving, and a reverse sensing system to help you maneuver into tight spaces safely. Complete with two additional key fobs for easy crew sharing, this 2019 Ford Transit Connect Van is an ideal, ready-to-work solution for your business needs.
