CLEAN TITLE WITH TOTAL LOSS HISTORY – 2023 Ford Expedition XLT 4x4 – 32,562 Miles – ONE OWNER – Factory Warranty – 202A High Package – Heavy-Duty Trailer Tow This 2023 Ford Expedition XLT 4x4 is a low-mileage, one-owner full-size SUV with only 32,562 miles, a beautiful Jewel Red Metallic Tinted Clearcoat exterior, and a sophisticated Black Onyx interior. With three-row versatility, strong EcoBoost performance, and an excellent selection of factory options, this Expedition is built for families who need serious space without sacrificing comfort or capability. This example is particularly well equipped with the Equipment Group 202A High Package, Special Edition Package, and Heavy-Duty Trailer Tow Package. It also remains under applicable Ford factory warranty coverage, subject to Ford's original time, mileage, and eligibility requirements. Vehicle History & Condition This Expedition has a CLEAN TITLE WITH TOTAL LOSS HISTORY. The total-loss history resulted from an insurance claim involving driver-side front damage. The insurance company paid the claim, creating the total-loss history even though the vehicle retains a clean title. 32,562 Miles ONE OWNER Driver-Side Front Damage History NO Airbag Deployment Clean Title Total Loss History Applicable Factory Warranty Coverage The previous damage has been repaired, and its history is fully disclosed and reflected in the selling price. Why This Expedition Stands Out The Expedition offers the passenger and cargo capacity families expect from a full-size SUV while the 3.5L EcoBoost V6 provides plenty of power for highway driving, hauling, and towing. This particular XLT goes well beyond a basic configuration. The 202A High Package adds desirable comfort and technology, while the Heavy-Duty Trailer Tow Package makes it significantly more capable for buyers planning to tow a boat, camper, or trailer. The combination of low mileage, one-owner history, 4x4, premium packages, and remaining applicable factory warranty coverage makes this a particularly attractive configuration. Features include, as equipped: Heated & Ventilated Front Seats Power Front Seats Driver Memory Settings Heated Steering Wheel Remote Start Intelligent Access Push-Button Start Tri-Zone Automatic Climate Control Power Liftgate Power-Folding Third-Row Seating Upgraded Interior Technology The spacious cabin provides excellent passenger room across all three rows, making the Expedition particularly well suited for larger families and long-distance travel. Heavy-Duty Trailer Tow Package For buyers who plan on towing, the Heavy-Duty Trailer Tow Package is one of the most desirable options available on an Expedition. It adds specialized equipment designed to improve trailer control, cooling, and overall towing capability. Exact tow capacity depends on vehicle configuration, equipment, loading, and Ford's

specifications. Paired with the 10-speed automatic transmission and 4x4 system, this Expedition is equally comfortable handling daily family transportation, changing weather conditions, highway trips, and recreational towing. Factory Warranty With only 32,562 miles, this Expedition remains under applicable Ford factory warranty coverage, subject to the original in-service date, time and mileage limitations, manufacturer terms, and eligibility. That remaining coverage adds another benefit for buyers considering this low-mileage 2023 model.
