Dealer notes

Step up to professional-grade capability and style with this striking 2015 GMC Sierra 1500 4WD Double Cab 143.5" SLE. Dressed in a commanding Onyx Black exterior paint, this full-size pickup stands out with its bold, muscular stance and premium aesthetic. The Double Cab configuration, built on a versatile 143.5-inch wheelbase, strikes the perfect balance between passenger space and cargo utility. For truck buyers seeking a dependable and highly capable pre-owned truck that transitions seamlessly from the job site to weekend adventures, this iconic GMC Sierra 1500 represents the ideal combination of rugged durability and sophisticated design. Under the hood lies the heart of this truck's exceptional capability: a powerful 5.3L EcoTec3 V8 engine equipped with Active Fuel Management and Direct Injection. This powertrain is designed to deliver robust horsepower and torque while optimizing fuel efficiency. Built to handle demanding work, this 2015 GMC Sierra 1500 features an auxiliary external transmission oil cooler to manage temperatures during heavy-duty tasks, alongside a heavy-duty 720 cold-cranking amps/80 amp-hr maintenance-free battery for reliable starts in any weather condition. Paired with a rugged Four Wheel Drive system, this truck offers the traction and control needed to navigate challenging terrains, haul payloads, or pull trailers with complete confidence. Inside, the cabin features a clean and accommodating Gray interior that provides a comfortable and functional environment for daily driving. The SLE trim level ensures a thoughtful layout, offering intuitive controls and a spacious cabin design that keeps both driver and passengers relaxed on long journeys. With its potent V8 engine, robust 4WD capabilities, and striking Onyx Black presence, this 2015 GMC Sierra 1500 4WD Double Cab 143.5" SLE is a versatile powerhouse ready to tackle your toughest demands. Contact us today to schedule your test drive and experience this exceptional truck for yourself.
