Interior colour: BLACK
Body type: SUV
Fuel economy: — city / — highway MPG
Dealer: Whitten Auto Center, Petersburg, Virginia 23805
Dealer phone: (804) 748-3355

Dealer notes

This black 2023 Chevrolet Tahoe SUV brings big-family comfort and real-deal capability together in one bold package. Under the hood is a Duramax 3.0L turbo-diesel inline-6, ready for long highway days and confident low-end pull, while 4WD and a mechanical limited-slip differential help you stay composed when the road turns slick, loose, or snow-covered. The ride feels thoughtfully dialed-in thanks to a Premium Smooth Ride suspension, with a solid, planted stance and the kind of calm you appreciate when the cabin is full and the cargo area is working overtime. When its time to bring along extra gear, trailering equipment, Trailer Sway Control, Hitch Guidance, and a 2 receiver make hooking up and heading out far less stressful. Inside, its built for real life: a 12 digital Driver Information Centre keeps key info front and centre, Bose audio sets the soundtrack, and there are charging options where you need them plus Wi-Fi hotspot capability to keep everyone connected. A hands-free power liftgate (with emblem projection) makes loading up easier when your hands are full. For peace of mind, it includes helpful driver-assist tech like Front and Rear Park Assist and a Following Distance Indicator, along with Teen Driver tools for newer drivers. A CARFAX report is available, too. At Montage Motors LLC quality is never compromised we only sell hand picked high quality used cars trucks & SUV's. For our customer's peace of mind we offer: A Free Carfax Vehicle Report available on
