Dealer notes

If you are searching for a highly versatile and dependable commercial workhorse, this 2016 Ford Transit Connect LWB XL is built to elevate your business operations. Finished in a crisp Frozen White exterior, this long-wheelbase van combines a clean, professional aesthetic with the practical design needed for maximum daily productivity. Inside, the functional Charcoal Black cabin provides a durable, distraction-free environment, making it an ideal choice for contractors, delivery professionals, or business owners seeking reliable utility. Under the hood, this 2016 Ford Transit Connect is powered by a capable 2.5L 4-cylinder engine that delivers a practical balance of power and efficiency for city streets and highway travel alike. The Long Wheelbase (LWB) layout maximizes available cargo volume, offering the expanded capacity required to haul equipment, tools, or inventory. Working in the back is made significantly easier thanks to the integrated LED rear cargo area light, which ensures optimal visibility regardless of the time of day. Designed to keep you comfortable and confident on the road, the driver-focused cabin features a 6-way manual driver seat alongside a 4-way manual passenger seat with a non-fold backrest. Navigating crowded job sites or tight parking spaces is made safer and more convenient with the built-in reverse sensing system, while standard cruise control helps reduce fatigue during longer drives. Complete with an AM/FM radio featuring a single CD player for on-the-go entertainment, this 2016 Ford Transit Connect XL is ready to report for duty and drive your business forward.
