CLEAN TITLE WITH TOTAL LOSS HISTORY – 2026 Lincoln Corsair Premiere AWD – ONLY 1,886 Miles – Factory Warranty – Whisper Blue Metallic – Premiere II This 2026 Lincoln Corsair Premiere AWD is essentially a near-new luxury SUV with only 1,886 miles, a beautiful color combination, and an excellent equipment list. Finished in sophisticated Whisper Blue Metallic Clearcoat over a Light Smoked Truffle interior, this Corsair delivers the quiet, elegant styling and premium driving experience Lincoln is known for. Powered by a 2.0L turbocharged 4-cylinder engine and equipped with All-Wheel Drive, it offers responsive performance with the added confidence of year-round traction. This example is also upgraded with Equipment Group 101A Premiere II and remains under applicable factory warranty coverage. Vehicle History & Condition This Corsair has a CLEAN TITLE WITH TOTAL LOSS HISTORY. The previous damage involved the passenger-side doors and fender, with NO structural damage. The affected areas have since been repaired. Unlike a rebuilt-title vehicle, this Corsair currently retains a clean title despite the previous insurance total-loss history. With only 1,886 miles, it presents an opportunity for someone comfortable with the disclosed history to purchase an extremely low-mileage 2026 luxury SUV at a significant value. Why This Corsair Stands Out The combination of near-new mileage, AWD, Premiere II equipment, factory warranty coverage, and its elegant Whisper Blue/Light Smoked Truffle color combination makes this a particularly attractive Corsair. Lincoln designed the Corsair around comfort and refinement rather than aggressive sportiness, making it an excellent choice for buyers wanting a quiet, upscale daily driver that's still compact enough to maneuver easily. Performance & AWD 2.0L Turbocharged I-4 Approximately 250 Horsepower 8-Speed Automatic Transmission All-Wheel Drive Selectable Drive Modes Electronic Stability & Traction Control The turbocharged engine provides strong everyday acceleration while the AWD system adds confidence during rain, snow, and changing Michigan road conditions.
