Dealer notes

STATE CERTIFIED REBUILT TITLE – 2021 Dodge Durango SRT Hellcat AWD – ONLY 18,116 Miles – ONE OWNER – Florida Vehicle – 6.2L Supercharged HEMI – Demonic Red Interior This 2021 Dodge Durango SRT Hellcat AWD is one of the most exciting performance SUVs Dodge has ever produced, combining supercharged HEMI power with three-row practicality and an exceptionally aggressive appearance. Finished in DB Black Clearcoat over the stunning Demonic Red/Black High Performance Laguna Leather interior, this Hellcat has only 18,116 miles and a one-owner Florida history. Under the hood is the legendary 6.2L Supercharged HEMI V8, sending enormous power through an AWD system designed to put that performance to the pavement. Add the Premium Interior Group, Technology Group, Black Package, and Rear DVD Entertainment Center, and this is an outstanding combination of performance, luxury, and equipment. Vehicle History & Condition This Durango carries a State Certified Rebuilt Title following previous front-end damage. Only 18,116 Miles ONE OWNER Florida Vehicle Front-End Damage History NO Structural Damage Repaired, Inspected & State Certified The previous incident did not result in structural damage. Following repairs, the Durango completed the required inspection and certification process. Its Florida ownership and exceptionally low mileage make this an especially desirable example. Why This Durango Hellcat Stands Out The Durango SRT Hellcat takes the practicality of a three-row SUV and combines it with the performance of a true supercharged muscle vehicle. Factory-rated at approximately 710 horsepower, the 6.2L Supercharged HEMI transforms this Durango into something completely different from a traditional family SUV. This particular example stands out further with its Demonic Red/Black Laguna leather interior, Black Package, premium interior equipment, advanced technology, and rear entertainment system.
