Dealer notes

STATE CERTIFIED REBUILT TITLE – ONLY 38,175 MILES – RARE 3.2L V6 – FULLY LOADED – 2020 Jeep Cherokee Altitude 4x4 Experience the perfect combination of rugged capability, premium styling, and everyday practicality with this beautiful 2020 Jeep Cherokee Altitude 4x4, finished in eye-catching Velvet Red Pearlcoat over a sleek Black interior. Featuring the aggressive Altitude appearance package, legendary Jeep capability, and the highly sought-after 3.2L V6 engine, this Cherokee stands apart from the majority of models equipped with the smaller 4-cylinder engine. With only 38,175 original miles, this SUV offers an incredible combination of performance, reliability, and value. Powering this Cherokee is Jeep's highly respected 3.2L Pentastar V6 featuring Variable Valve Timing (VVT) and Engine Stop-Start (ESS) technology. Paired with a smooth 9-speed automatic transmission and Jeep's advanced Active Drive I Four-Wheel Drive system, this SUV delivers confident acceleration, impressive towing capability, and exceptional all-weather performance. The V6 engine is well known for its long-term reliability, making this one of the most desirable Cherokee configurations available.
