Dealer notes

2003 Audi RS6 A true modern classic from Audi's performance era, this 2003 Audi RS6 combines understated executive styling with the serious performance of a 4.2L Bi-Turbo V8, quattro all-wheel drive, and a well-selected list of upgrades. Finished in Gray over Black, this C5-generation RS6 delivers the analog character and subtle presence that have made these cars increasingly desirable among enthusiasts. Key Features 4.2L Bi-Turbo V8 444 HP Factory Rated 413 lb-ft of Torque Factory Rated quattro All-Wheel Drive 6-Speed Automatic Transmission Gray Exterior Black Interior Bose Surround Sound Carbon Fiber Interior Trim Performance & Upgrades O.C.T Performance Tune Adjustable Coilovers BBS CH Wheels Euro Hella Taillights The C5 RS6 was one of Audi's defining performance sedans, pairing a twin-turbocharged V8 with quattro AWD in a package that remains remarkably subtle by today's standards. The BBS CH wheels and adjustable coilovers complement the chassis, while the O.C.T performance tune adds to the already impressive twin-turbo V8 performance. Euro Hella taillights and carbon fiber interior trim provide tasteful finishing touches without taking away from the car's original character. A compelling choice for the enthusiast looking for an increasingly hard-to-find V8 twin-turbo Audi RS sedan with period-correct upgrades and timeless styling. By appointment only.
