Dealer notes

The 2017 Dodge Durango GT is a stylish and versatile SUV that offers strong V6 performance, rear-wheel drive handling, and the comfort needed for everyday family use. Powered by a 3.6-liter V6 engine producing 295 horsepower and 260 lb-ft of torque, this Durango delivers smooth acceleration and confident performance whether driving around town or cruising on the highway. Paired with an automatic transmission and rear-wheel drive, it provides a balanced and comfortable driving experience with the practicality that has made the Durango a popular choice in the midsize SUV segment. With 135,595 miles, this SUV continues to reflect Dodge's reputation for blending performance, utility, and bold styling. The GT trim gives this Durango a more refined and athletic appearance, complementing its spacious four-door SUV design and versatile interior. Inside, the cabin offers comfortable seating and the room needed for passengers, cargo, and everyday convenience. Combining strong V6 power, sporty character, and the practicality of an SUV, the 2017 Dodge Durango GT is a well-rounded vehicle that stands out as a capable and comfortable choice for drivers seeking space, style, and performance.
