Dealer notes

Experience the revolution of electric driving with this sleek 2014 Tesla Model S 4dr Sdn 60 kWh Battery. Finished in a sophisticated Silver Metallic, this premium all-electric sedan combines luxury, cutting-edge technology, and zero-emission efficiency in a timeless design. As a pioneer in the luxury EV market, this Model S offers a modern driving experience that continues to turn heads, making it an exceptional choice for buyers seeking premium style, eco-conscious performance, and forward-thinking engineering. At the heart of this 2014 Tesla Model S is its advanced 60 kWh battery pack and rear-wheel-drive electric powertrain, delivering instant torque and smooth, silent acceleration. Because it operates without a traditional internal combustion engine, this fully electric sedan provides a seamless and incredibly quiet ride. Additionally, the low-mounted battery pack lowers the vehicle's center of gravity, resulting in exceptional handling stability and confident cornering that enhances your daily commute and weekend drives alike. Inside, the cabin showcases a minimalist yet highly functional layout dominated by Tesla's signature 17-inch touchscreen interface, which centralizes control over media, cabin comfort, and vehicle settings. The clever five-passenger sedan design utilizes a rear liftback configuration to provide generous cargo space, blending the utility of a hatchback with the sleek profile of a premium sedan. Ready to elevate your driveway, this Silver Metallic Model S stands as a remarkable testament to modern automotive innovation and remains an iconic choice for those ready to embrace the electric lifestyle.
