Dealer notes

If you are searching for a heavy-duty workhorse that refuses to compromise on capability, this 2023 Ford Super Duty F-350 DRW XL Crew Cab is engineered to deliver. Dressed in a clean Oxford White exterior, this dual-rear-wheel (DRW) powerhouse offers the ideal configuration for commercial tasks, heavy hauling, and demanding jobsites. With its spacious Crew Cab design and an expansive 8-foot cargo box, this truck maximizes both passenger accommodation and utility, making it a premier choice for buyers who demand absolute reliability and presence on the road. Under the hood, this formidable truck is powered by the legendary 6.7L 4V OHV Power Stroke V8 Turbo Diesel B20 engine, providing the massive torque and horsepower required for heavy-duty towing and payload tasks. Operating with a Rear Wheel Drive (2WD) drivetrain and a 3.55 axle ratio, the mechanical setup is optimized for efficient, high-capacity highway hauling and stable trailering. To ensure dependable starting power in demanding environments, the vehicle is equipped with dual 68 ah/65 agm batteries, ensuring the diesel powerplant has the robust electrical support it needs for continuous, rigorous operation. Inside, the cabin features a functional and comfortable Medium Dark Slate interior, designed to withstand the wear and tear of daily work while providing a spacious environment for your crew. Getting in and out of the high-riding cab is made effortless thanks to the integrated platform running boards, while the front license plate bracket keeps the truck compliant with local road regulations. This 2023 Ford Super Duty F-350 DRW XL represents a purpose-built asset ready to elevate your business operations or heavy hauling capabilities to the next level.
