Dealer notes

Offered for sale is this 2015 Rolls Royce Wraith Coupe, finished in Black Kirsch and silver two-tone over a black leather interior, powered by a twin-turbocharged 6.5 liter 12-cylinder engine, running power to the rear wheels through an eight-speed automatic transmission, with 25,374 miles on the odometer as of this writing. This Wraith Coupe is a masterclass in automotive presence. The design maintains familiar Rolls Royce cues, but this interpretation of the long-nose short-tail form factor, always a fan favorite, balances the marque's traditional opulence with a more dynamic, sporting spirit. The fastback silhouette gives it a sweeping, modern elegance, with the power closing rear-hinged coach doors adding a notable dash of drams to the restrained lines. The 624-horsepower twin-turbo V12 engine is effortless, quiet, and incredibly smooth, and applied technology includes the satellite-assisted transmission that uses GPS data to read the road ahead and pre-select the perfect gear. Inside, with the tactile Canadel wood paneling and the optional installed Starlight Headliner, the cabin is a warm, serene space that very effectively isolates you from the outside world. This example is in excellent condition, with all services and preventative service up to date. Notable equipment includes front and rear park distance control, heated and ventilated front seats, head-up driver information display, four-zone climate control, Comfort Access, and lane departure warning.
