Dealer notes

2017 Chevy Volt LT for Sale in San Diego Looking for a clean, low-mileage, reliable hybrid gas saver for sale in San Diego? This 2017 Chevrolet Volt LT is a standout choice with only 51,179 miles, a Clean 1-Owner CARFAX Report, Kinetic Blue Metallic exterior, Jet Black interior, and the fuel-saving plug-in hybrid technology that makes the Chevy Volt one of the most practical commuter vehicles on the road. The Chevy Volt is ideal for drivers who want the flexibility of electric driving with the confidence of a gas engine backup. Its extended-range electric drive system allows you to enjoy efficient electric-style driving for daily commutes while still having the convenience of a gasoline engine for longer trips. That makes this Volt a smart choice for commuters, students, professionals, rideshare drivers, first-time buyers, and anyone looking for a reliable, easy-to-finance hybrid hatchback with low fuel costs. This 2017 Volt LT is powered by an electric drive extended-range system with a 4-cylinder engine, giving shoppers the best of both worlds: strong efficiency, smooth acceleration, and practical everyday range. The window sticker shows an impressive 43 city / 42 highway MPG rating, making this Volt a strong option for buyers searching for a fuel-efficient used car, hybrid gas saver, plug-in hybrid commuter, or affordable vehicle with great MPG. The Kinetic Blue Metallic exterior gives this Volt a sharp, modern, and eye-catching look, while the Jet Black interior creates a clean and practical cabin feel. Inside, this Volt LT offers the technology and convenience features today's shoppers want, including rear vision camera, keyless start, cruise control, leather-wrapped steering wheel, 8-inch driver information display, 8-inch center touchscreen, programmable charging settings, location-based charging, selectable drive modes, SiriusXM satellite radio, 6-speaker audio system, automatic climate control, and rear 60/40 split-folding seats for added cargo flexibility. This Volt also includes practical features that make daily ownership easier, including all-weather cargo mat, cargo net, LED daytime running lamps, LED tail lamps, front recovery hook, tire inflator kit, low-rolling-resistance tires, and multiple storage areas throughout the cabin. Its hatchback design gives you useful cargo space for groceries, work gear, school, errands, road trips, and everyday driving around San Diego. With only 51,179 miles, a Clean 1-Owner CARFAX Report, plug-in hybrid efficiency, Kinetic Blue Metallic paint, reliable Chevy engineering, and easy-to-finance value, this 2017 Chevy Volt LT stands out from typical used compact cars on the market. If you are searching for a used Chevy Volt in San Diego, reliable hybrid car, plug-in hybrid hatchback, fuel-efficient commuter car, gas saver, Clean CARFAX Volt, 1-owner hybrid vehicle, easy-to-finance used car, affordable EV-style vehicle, or low-mileage Chevy hatchback, this Volt should be at the top of your list. Visit Siry Auto in San Diego today to test drive this 2017 Chevrolet Volt LT and see why the Chevy Volt continues to be one of the most practical, efficient, and value-packed choices for drivers who want fuel savings, reliability, modern technology, and everyday convenience.
