Dealer notes

Executive Package. Driving Assistance Professional. Twin-Turbo V8. This well-maintained 2020 BMW 750i xDrive Sedan features Glacier Silver Metallic paint, Black perforated Nappa leather, and desirable factory upgrades, including the Executive Package, Cold Weather Package, and Driving Assistance Professional Package. Clean CARFAX, no accidents or damage reported. Inspected, serviced and ready to go. 4 Month/4,000-Mile Warranty. The twin-turbocharged 4.4L V8 produces 523 horsepower and 553 lb-ft of torque, paired with an 8-speed Sport Automatic transmission and xDrive All-Wheel Drive. Adaptive air suspension helps maintain a composed ride over changing road surfaces. The Executive Package, Cold Weather Package, and Driving Assistance Professional Package are confirmed on the factory equipment listing. Individual package contents are not itemized, so no unverified features are attributed to them. Separately listed equipment includes ventilated front seats, multi-contour front seats, four-zone automatic climate control, power rear-window sunshades, and Remote Engine Start. Driver-assistance equipment includes Surround View cameras with 3D View, parking assistance, Blind Spot Detection, and collision warning features. These systems provide additional awareness when maneuvering and driving in traffic. Technology includes BMW navigation, Bluetooth, Apple CarPlay, keyless entry, a Head-Up Display, and Harman Kardon audio. Soft-close doors and a power trunk lid add convenience. The CARFAX report documents 23 service history records, including a June 2026 oil and filter change, brake fluid service, rear brake rotor replacement, and transfer case fluid service. July 2026 records also document thermostat and thermostat housing/gasket replacement. For drivers seeking V8 performance, executive-level passenger accommodations, and documented maintenance, this 750i xDrive offers a compelling combination of luxury and capability. Frequently Asked Questions Q: What does adaptive air suspension do? A: It automatically adjusts suspension characteristics to help maintain ride comfort and vehicle stability. Q: Does Driving Assistance Professional provide autonomous driving? A: No. Driver-assistance systems require an attentive driver and operate only under specified conditions. Q: What recent maintenance appears on the CARFAX? A: The report documents oil, brake, and transfer case service in June 2026, followed by thermostat-related repairs in July 2026.
