Dealer notes

If you are searching for a heavy-duty workhorse that blends uncompromising capability with everyday practicality, this 2013 Ram 2500 2WD Crew Cab 169" Tradesman is the ideal choice. Finished in a clean and professional Bright White exterior, this truck is designed to command the job site while offering the immense cabin space of a true Crew Cab configuration. Whether you are a business owner looking to expand your fleet or an individual seeking a dependable rig for demanding projects, this heavy-duty pickup delivers the commanding presence and robust build quality that the Ram brand is legendary for. Under the hood lies the legendary and highly sought-after 6.7L I6 Cummins Turbo Diesel engine, providing the massive torque and horsepower required for serious hauling and towing tasks. Paired with a smooth-shifting 6-speed automatic transmission with overdrive, this rear-wheel-drive powertrain is engineered to optimize efficiency and performance under heavy loads. To ensure you can tow with absolute confidence, this Ram 2500 comes equipped with an integrated trailer brake control, allowing for seamless and controlled stopping power when pulling heavy trailers or equipment. Inside the cabin, the functional and durable Black/Diesel Gray interior offers a comfortable and resilient workspace designed to withstand the rigors of daily use. This Tradesman trim is elevated by the stylish Chrome Appearance Group, adding a premium touch of shine to the exterior. For added safety and convenience when maneuvering in tight spaces or aligning a hitch, the integrated ParkView rear back-up camera provides a clear view of what lies behind the vehicle. Do not miss the opportunity to own a reliable, powerful, and task-ready heavy-duty truck—contact us today to experience this impressive 2013 Ram 2500 for yourself.
