Dealer notes

2026 Toyota Corolla LE — One Owner, Fresh Off the Future Powering the 2026 Toyota Corolla LE is a refined 2.0L four-cylinder engine producing 169 horsepower, paired with a continuously variable transmission that delivers smooth, linear acceleration and an impressive fuel efficiency of up to 38 MPG on the highway. As a one-owner vehicle, this Corolla represents the very definition of a well-kept, meticulously cared-for sedan that is barely broken in and ready to deliver years of dependable, cost-efficient driving. Toyota's legendary build quality and long-term reliability make this one of the smartest investments any buyer can make in today's used car market. Slide into the Corolla's thoughtfully appointed cabin and discover an interior that punches well above its class. Fabric seating with excellent bolstering, a tilt-and-telescoping steering wheel, and automatic climate control create a comfortable, fatigue-free environment whether you're navigating downtown Waukegan or stretching out on a long interstate run. Generous front and rear legroom, smart storage solutions throughout the cabin, and a clean, uncluttered dashboard design give the Corolla LE an interior presence that feels composed, modern, and genuinely welcoming on every single drive. Toyota's latest multimedia system delivers a crisp 8-inch touchscreen with wireless Apple CarPlay, Android Auto, and Bluetooth connectivity that keeps you seamlessly linked to everything that matters. Toyota Safety Sense 3.0 comes fully loaded, bundling pre-collision warning with pedestrian and cyclist detection, adaptive cruise control, lane departure alert, automatic high beams, and emergency steering assist into one intelligent, always-on safety net. A rearview camera and blind-spot monitoring complete the package. One owner, fresh model year, and Toyota reliability — this Corolla LE is the complete package at an unbeatable value.
