Dealer notes

Embrace the future of eco-conscious driving without sacrificing classic European hatchback dynamics with the 2019 Volkswagen e-Golf 4-Door SEL Premium. Combining the legendary utility and refined styling of the traditional Golf with an advanced zero-emission powertrain, this electric vehicle is the ideal choice for daily commuters and environmentally conscious drivers alike. As the top-tier trim, the 4-Door SEL Premium offers a premium, whisper-quiet ride that elevates your daily drive, making it a highly sought-after option in the pre-owned electric vehicle market. At the heart of this hatchback is a responsive electric motor paired with a 35.8 kWh lithium-ion battery, delivering instant torque for swift acceleration and a remarkably smooth, quiet ride. The 2019 Volkswagen e-Golf offers an EPA-estimated range of 125 miles on a full charge, making it perfectly suited for urban commuting and daily errands. Regenerative braking helps maximize efficiency on the go, while the standard DC Fast Charging capability allows you to quickly replenish the battery at compatible public charging stations, ensuring you spend less time plugged in and more time enjoying the road. Inside the cabin, the 2019 Volkswagen e-Golf 4-Door SEL Premium surrounds you with premium comfort and cutting-edge technology. Drivers will appreciate the sophisticated Volkswagen Digital Cockpit and an intuitive 8-inch touchscreen navigation system that keeps you seamlessly connected. Standard amenities include dual-zone automatic climate control, supportive V-Tex leatherette seating, and energy-efficient LED headlights that provide excellent night visibility. With its perfect blend of hatchback versatility, refined cabin appointments, and zero-emissions efficiency, this vehicle stands out as a smart, stylish, and practical choice for modern drivers.
