### Dealer notes

If you are searching for a commercial-grade workhorse that combines relentless capability with a commanding road presence, this 2008 Dodge Ram 5500 Chassis Cab is engineered to deliver. Featuring a striking Black exterior and a robust 168.5-inch wheelbase with an 84-inch cab-to-axle (CA) measurement, this heavy-duty dual-rear-wheel (DRW) truck offers the perfect foundation for a wide variety of custom upfits, from flatbeds to service bodies. Designed to tackle the most demanding jobs, this rear-wheel-drive regular cab model is a prime choice for businesses and operators who require uncompromising strength and dependability day in and day out. At the heart of this formidable machine is the legendary 6.7L 6-cylinder turbo diesel engine, famed for its massive torque and commercial-grade durability. Paired with a smooth-shifting 6-speed automatic transmission with overdrive, this powertrain is built to haul heavy payloads and tow massive loads with ease. This model is equipped with an ultra clean diesel system charge to meet emissions requirements while maintaining peak performance, and the rear-wheel-drive configuration is further enhanced by an anti-spin differential axle to ensure optimal traction and stability when navigating challenging job sites or carrying heavy cargo. Inside the cabin, you will find a functional and comfortable workspace finished with a Med Slate Gray interior. Equipped with the 2gg SLT CPOS package, this cab offers a welcoming environment for long hours on the road, complete with essential conveniences like air conditioning to keep you cool during grueling workdays. Combining legendary diesel power, a highly adaptable chassis, and practical cabin features, this 2008 Dodge Ram 5500 is ready to become the most valuable asset in your fleet and take your business productivity to the next level.
