### Dealer notes

Are you searching for the ultimate commercial workhorse to elevate your business or daily operations? Look no further than this highly capable 2017 Ford Transit Van T-150 130" Med Rf 8600 GVWR Dual Dr. Finished in a professional and clean Oxford White, this medium-roof cargo van offers the perfect balance of interior stand-up height and exterior maneuverability, making it an ideal choice for navigating busy city streets or tight job sites. Designed with utility at its core, the dual-door configuration ensures seamless access to your cargo area from multiple angles, maximizing your productivity and efficiency throughout the workday. Under the hood, this 2017 Ford Transit T-150 is powered by the robust 3.5L EcoBoost V6 engine, delivering the perfect combination of turbocharged horsepower and low-end torque for hauling heavy payloads. Its impressive capabilities are further enhanced by a 3.31 limited-slip axle ratio, which provides confident traction and power delivery across various road surfaces. When your hauling demands extend beyond the interior cargo space of the 8,600-pound GVWR chassis, the factory-installed heavy-duty trailer tow package ensures this van is fully equipped to pull trailers, equipment, or extra gear with absolute ease. Inside, the functional Pewter cabin is tailored specifically for the solo operator or delivery specialist, featuring a unique passenger seat delete configuration that optimizes interior floor space alongside a power driver seat only for personalized comfort during long hours behind the wheel. Maneuvering this mid-size commercial vehicle in tight loading zones or bustling parking lots is made significantly safer and easier thanks to the built-in reverse sensing system. Whether you are building out a highly specialized mobile workshop or expanding your delivery fleet, this uniquely configured 2017 Ford Transit is ready to work as hard as you do.
