Dealer notes

This Ford E450 Super Duty Econoline is equipped with a 14-foot DuraCube Max Dejana Truck body and is set up as the ultimate work vehicle. Whether you're in electrical, plumbing, painting, general contracting, framing, on-the-road service work, HVAC, or any other trade, this is the ultimate mobile workspace. This truck is exceptionally well laid out inside and out, offering storage solutions with quick and easy access. Features include push-button door locks that all function properly, professional shelving, a ladder system for roof access, a quadruple ladder rack/material handling rack, rearview camera system, rear tow hitch assembly with trailer light wiring, LED lighting throughout, tinted windows, towing mirrors, and six brand-new tires. The truck has been freshly serviced and inspected and is ready to go to work. The replacement cost of a unit like this is roughly \$100,000, especially for those who have not compared pricing on new builds. This is an amazing opportunity to own an extremely clean, fully equipped work vehicle at a fraction of the cost. Price does not include \$0 processing fee
