Interior colour: Gray
Body type: Truck
Fuel economy: — city / — highway MPG
Dealer: Davis Auto Sales, Richmond, Virginia 23237
Dealer phone: (804) 271-0030

Dealer notes

1993 Ford F-250 OBS 4x4 Diesel Truck. This two-owner truck was purchased from a customer in Oregon and later locally owned by one of our longtime customers, who is extremely particular about his vehicles. Powered by the legendary 7.3L diesel engine, this truck features a floor-shift four-wheel-drive system, the factory radio still in the dash, an uncracked original dashboard, and the original seat with a fold-down center console that still has its front cupholder. Additional features include large Husky-style protective floor mats, fiberglass running boards, a bed cover, a Ford bed mat, a spray-in bedliner, factory hubcaps, new shocks, and a rear tow hitch. This truck has been serviced and maintained to exceptionally high standards, with numerous parts, components, and maintenance items recently addressed, including work performed at a Ford dealership. Recent service includes the injection pump, all injectors, glow plugs, A/C compressor, and much more. This might seem like overkill to some, but to this particular owner, it was simply part of keeping the truck properly maintained. There is no rust underneath this vehicle, and we have not applied any undercarriage spray or coating to hide or cover anything up. What you see is the truck in its natural condition. We would be more than happy to apply an undercarriage protectant before purchase if desired. There is truly very little to pick apart on this truck. The body is exceptionally straight, dent-free, rust-free, and free of oxidation. It even retains its original tailpipe with the metal spark-arrestor screen at the end. Trucks like this simply do not come along very often, especially with such a clean history and the amount of recent maintenance this one has received. Price does not include $0 processing fee
