Dealer notes

Excellent condition 2025 Ford Mustang GT Coupe with only 9,192 miles. One owner, no accidents, and equipped with the desirable factory GT Performance Package. Powered by Ford's 5.0L Coyote V8 with rear-wheel drive, this Mustang GT delivers the sound, power, and driving experience enthusiasts expect from a modern V8 muscle car. The GT Performance Package adds performance-focused chassis, braking, wheel/tire, and handling upgrades that make this Mustang more capable and desirable than a standard GT. With extremely low mileage, one-owner history, no accident history, and the Performance Package, this is a particularly strong example for someone looking for a nearly new Mustang GT without buying new.
