Dealer notes

Discover the perfect blend of modern styling and family-friendly versatility with this stunning White 2021 Volkswagen Atlas. As a "2021.5" model-year refresh, this midsize SUV benefits from Volkswagen's updated styling and technology, offering a clean, sophisticated exterior aesthetic that stands out on any road. Designed to accommodate your active lifestyle, the 2021.5 Volkswagen Atlas SE w/Technology FWD combines a commanding road presence with practical everyday utility, making it an exceptional choice for growing families and road-trip enthusiasts alike who demand both curb appeal and substance. Under the hood, this Atlas is powered by an efficient yet responsive 2.0L 4-cylinder turbocharged engine. This powerplant delivers a smooth and confident driving experience, balancing the pep needed for highway merging with the fuel efficiency expected of a front-wheel-drive configuration. The front-wheel-drive (FWD) system ensures predictable handling and a refined ride quality, whether you are navigating tight city streets or cruising on the open interstate. This balanced powertrain configuration makes the 2021.5 Volkswagen Atlas 2.0T SE w/Technology a reliable and comfortable companion for your daily commutes and weekend getaways. Step inside to find a remarkably spacious cabin featuring a sleek Black interior that offers three rows of comfortable passenger seating. As part of the tech-focused SE w/Technology trim, this SUV is equipped with convenient amenities designed to keep you connected and secure, including a user-friendly touchscreen infotainment system and advanced driver-assistance features like adaptive cruise control. Passengers in all three rows will appreciate the generous legroom and climate comfort, while the driver benefits from a layout optimized for long-distance travel. With its winning combination of sophisticated design, turbocharged performance, and smart cabin features, this 2021.5 Volkswagen Atlas is ready to elevate your daily drive.
