Dealer notes

Unearth unmatched off-road capability and aggressive style with this 2013 Ford F-150 4WD SuperCrew 145" SVT Raptor. Finished in an eye-catching Blue Flame Metallic exterior, this high-performance truck commands attention whether cruising the pavement or tackling rugged terrain. Built for truck enthusiasts who demand extreme versatility without sacrificing practicality, the SuperCrew configuration offers generous space for passengers and gear alike, making it an ideal choice for both daily driving and weekend adventures. Under the hood, this SVT Raptor is powered by a formidable 6.2L 8-cylinder engine that delivers impressive power and responsive acceleration. Paired with an advanced Four Wheel Drive (4WD) system, this 2013 Ford F-150 is engineered to maintain exceptional traction, stability, and control across challenging landscapes. Whether navigating trail obstacles, hauling cargo, or taking on adverse weather conditions, the vehicle's robust drivetrain and truck utility ensure a confident, capable ride. Inside, the sleek Black interior balances rugged utility with modern convenience. Upgraded with the Luxury Equipment Group and the Plus Package, this truck provides a highly comfortable driving environment equipped with high-demand features. Passengers can enjoy open-air freedom with the power moonroof, while maneuvering in tight spots or on the trail is made effortless thanks to the integrated front and rear view camera system. Complete with an accessible tailgate step for easy bed entry, this feature-packed 2013 Ford F-150 SVT Raptor is ready for its next owner.
