Dealer notes

Elevate your family travels and daily drives with the impressive 2023 GMC Yukon XL 4WD SLT. Finished in a timeless Summit White exterior that perfectly complements its refined Jet Black interior, this full-size SUV commands attention wherever it goes. Combining bold GMC styling with extended-length practicality, the Yukon XL offers expansive cabin room for passengers and cargo alike, making it the ultimate choice for buyers who refuse to compromise on space, luxury, and road presence. Under the hood, this 2023 GMC Yukon XL is powered by a dependable 5.3L 8-cylinder engine, delivering the strong performance and towing power required for long highway cruises and heavy-duty hauling. Paired with a capable Four Wheel Drive (4WD) system, it provides exceptional traction and control across challenging weather and terrain. The extended XL wheelbase enhances overall utility, offering generous cargo capacity behind the rear seats to easily accommodate luggage, sports equipment, or trail gear without sacrificing passenger legroom. Designed to maximize comfort and convenience, this model comes equipped with both the SLT Premium Package and the SLT Luxury Package. Passengers can enjoy an airy, open atmosphere courtesy of the power panoramic dual-pane sunroof, while second-row power-release bucket seats make accessing the third row effortless. Long-distance driving is made easier with Adaptive Cruise Control, offering enhanced confidence on the open road. Stylish, capable, and packed with high-demand features, this 2023 GMC Yukon XL 4WD SLT is ready for your next adventure.
