Dealer notes

2023 Chevrolet 5500 HD Crew Cab 4x4 Diesel Pickup “This unit has only 2,900 miles and has been babied inside and out. It is absolutely flawless and loaded with custom upgrades that make it one incredible heavy-duty build. Featuring custom-built side steps, an onboard dual air compressor system with a massive auxiliary air tank, 38-inch Mickey Thompson Baja Legend MTZ tires mounted on custom-built 20-inch two-piece wheels, Deaver lift kit springs, King HD shocks, and dual steering stabilizers. The front end is upgraded with a custom bumper featuring quad-pod LED lights and a Warn VR 12 winch. The rear features a custom-built hitch platform designed for heavy-duty tagalong towing. Inside, this truck is equipped with a premium leather interior, wireless phone charger system, traction control, exhaust brake, heated seats, full power options, factory trailer brake control, steering wheel convenience controls, and WeatherTech floor mats. Additional features include a spray-in bedliner and all the factory comforts you expect from a modern heavy-duty truck. This 5500 HD is the ultimate combination of aggressive looks, extreme towing capability, and heavy-duty performance. Built with the power and suspension to pull a house down “and then pull it down the road afterward. Price does not include \$0 processing fee
