Dealer notes

Experience the perfect blend of rugged capability and premium sophistication with the 2024 GMC Sierra 1500 4WD Crew Cab 147" AT4. Draped in a striking Sterling Metallic exterior, this light-duty pickup truck commands attention on both highway lanes and remote trailheads. Designed for those who demand both high-end luxury and serious off-road prowess, this vehicle delivers a commanding stance that is beautifully complemented by eye-catching 20" x 9" machined aluminum wheels and rugged LPO off-road high clearance steps. Whether you are navigating your daily commute or heading out for a weekend adventure, this truck offers an unmatched curb appeal that sets a new standard for modern pickups. Beneath the hood of this versatile 4WD Crew Cab lies a powerful 3.0L 6 Cylinders engine, engineered to deliver exceptional torque and efficient performance. Combined with a robust Four Wheel Drive system, this powertrain ensures you have the traction, control, and muscle needed to conquer challenging terrain, haul heavy payloads, or tow with absolute confidence. The 147" wheelbase provides a stable, composed ride quality, allowing you to transition seamlessly from smooth highway cruising to demanding backcountry trails without sacrificing utility or passenger comfort. Step inside the refined cabin to discover a spacious, driver-focused interior styled in Jet Black with Kalahari accents, offering an upscale yet durable environment. The cabin's premium feel is elevated by a power sunroof that floods the space with natural light, alongside high-tech convenience and safety upgrades from the included Technology Package and the comprehensive AT4 Premium Package. Melding cutting-edge connectivity with uncompromising utility, the 2024 GMC Sierra 1500 AT4 is the ultimate choice for truck buyers who refuse to compromise on comfort, style, or capability.
