Dealer notes

1991 BMW 325i Convertible M-Technic | 5-Speed Manual | Only 55K Miles Some cars are transportation. Others are automotive icons. This stunning 1991 BMW 325i Convertible represents one of the most desirable generations BMW has ever produced the legendary E30. Finished in classic Brilliant Red over Black M-Technic sport interior and equipped with the highly sought-after 5-speed manual transmission, this low-mileage example delivers the pure driving experience that made BMW famous. Showing only 55,000 original miles, this E30 comes loaded with the rare factory M-Technic Package, giving it the aggressive styling, sport suspension, and performance upgrades that enthusiasts search for worldwide. Finding a clean, well-preserved E30 Convertible with these specifications is becoming increasingly difficult, making this an incredible opportunity for collectors and driving enthusiasts alike. Factory M-Technic Package Includes: M-Technic Front Air Dam M-Technic Rear Valance M-Technic Side Skirts & Extended Rocker Covers Tri-Color M-Technic Badging Factory Sport Suspension with Lowered Ride Height M-Technic Door Sill Guards Factory Limited-Slip Differential Performance & Driving Upgrades: Legendary 2.5L M20 Inline-6 Engine 5-Speed Manual Transmission Limited-Slip Rear Differential DINAN Extrude-Honed Intake Manifold Larger Performance Fuel Injectors Adjustable Fuel Pressure Regulator European-Spec Headers Aftermarket Performance Exhaust Open Element Air Intake Front Strut Tower Brace Adjustable Front Camber Plates Power-Assisted Four-Wheel Disc Brakes Exterior Highlights: Brilliant Red Exterior Black Convertible Soft Top Color-Matched Removable Hardtop Factory Fog Lights Dual Exhaust Outlets Painted Mirror Caps 15" BMW BBS Light Alloy Wheels 205/60 Hankook Tires Interior Features: Black Leather Sport Seats M-Technic Pattern Cloth Inserts Power Windows Power Door Locks Power Mirrors Cruise Control Air Conditioning Onboard Computer Bluetooth Audio System Rear Seating Classic BMW Driver-Focused Cockpit This E30 has been exceptionally maintained and recently benefited from major service work including a timing belt replacement, valve adjustment, new belts, hoses, fluids, and battery. Rear subframe bushings have also been replaced, helping preserve the driving dynamics these cars are known for. The E30 chassis is widely regarded as one of BMW's greatest achievements, offering the perfect balance of analog driving engagement, timeless styling, and long-term collectability. With values continuing to rise on clean manual-transmission examples, this is a vehicle that can be enjoyed today and appreciated for years to come. A true driver's car. A true collector's piece. A true BMW icon. Wolfe Motors Addison, Texas 469-809-4508 Price excludes tax, title, license, \$225 doc fee, and dealer service fee. Out-of-state fees may vary.
