### Dealer notes

If you've been looking for a smaller SUV that is very reliable, great on fuel economy, and super fun to drive, then you really need to take the time and check out this 2016 Chevrolet Trax LT that we just got in! This SUV has a clean CarFax showing plenty of service history, it's a personal vehicle, not a rental, it was prior certified by previous Franchised dealer before they sold it, and it had a VERY minor scratch on the front bumper which we buffed out! The exterior is Hot Red with Black/Grey seating, and it really looks good! It has 6 speed automatic transmission, the 1.4L Turbo engine that not only gets great fuel economy, but has plenty of power which makes it very fun to drive! It has alloy wheels, anti-theft system, cruise control, the tire pressure monitoring system, navigation assist system and so much more! If you have any questions about this or any other vehicle we have, please feel free to give us a call! We are a family owned business and have been selling quality used cars and trucks in the Southside Virginia area for over 40 years! ALL of our vehicles are serviced, professionally detailed and inspected before the sale! Also keep in mind, we have NO doc, prep, PDI or any other fees like the majority of dealers have. Give us a call, we'll do our best to earn your business! 434-549-5762 Price does not include \$0 processing fee
