Dealer notes

The 2023 Ram 1500 Tradesman 4x4 Quad Cab with a 6'4" box stands out with its robust design and practical features, making it an ideal choice for those who demand strength and reliability. Painted in Bright White Clearcoat, this truck offers a striking appearance that complements its functional build. Inside, the combination of Diesel Gray and Black in the interior exudes a sleek and durable aesthetic, emphasizing the truck's blend of comfort and usability. Under the hood, the Ram 1500 is powered by a 5.7L V8 HEMI with MDS and VVT eTorque system, ensuring impressive power and efficiency on every journey. This powerhouse is paired with a Four Wheel Drive drivetrain, offering enhanced traction and control on various terrains. Equipped with a towing package and a Class IV receiver hitch, this vehicle is prepared to handle significant loads with ease, supported by a 3.21 rear axle ratio for optimized towing capabilities. Additional features like Bluetooth connectivity, telematics, and a backup camera cater to modern needs, ensuring convenience and enhanced safety on every drive. The keyless entry system adds a touch of modern sophistication, simplifying access to this formidable vehicle. Furthermore, the truck's safety package provides peace of mind, reinforcing its reputation as a reliable companion. Complementing its robust capabilities, the Tradesman Group offers a bundle of features tailored to meet the demands of both work and leisure.
