Dealer notes

Few luxury SUVs combine head-turning design, refined comfort and genuine all-terrain capability as beautifully as the 2022 Range Rover Velar R-Dynamic S. Its sleek profile, signature flush-mounted door handles and athletic R-Dynamic styling give it an unmistakable presence, while the sophisticated cabin provides the quiet, upscale environment expected from the Range Rover name. This CARFAX-certified, two-owner vehicle has no accidents or damage reported or evident. Although engineered with the capability to explore the Serengeti, this pampered Velar has instead enjoyed a carefully maintained life in the sunny, warm and dry climate of Southern California. Its history reflects consistent servicing and the attentive care it has received. Finished in ever-popular Santorini Black over a beautifully preserved black interior that shows remarkably little use, this Velar has a timeless and sophisticated color combination. The R-Dynamic S trim further distinguishes it with sportier exterior details, distinctive alloy wheels and an upscale interior complemented by heated front seats, Meridian audio and Land Rover's intuitive Pivi Pro infotainment system. With confident all-wheel drive, Terrain Response technology and a smooth eight-speed automatic transmission, the Velar is equally comfortable navigating city streets, cruising the highway or venturing beyond the pavement. It delivers genuine Range Rover capability in a sleek, manageable and exceptionally stylish package. If you have been searching for a well-cared-for Range Rover Velar with an excellent history and striking presentation, this is the one you will want to see. Come experience it for yourself as soon as possible—an example this attractive is unlikely to remain available for long.
