Dealer notes

The 2006 Toyota 4Runner SR5 is a rugged and versatile SUV that combines proven Toyota durability, strong V6 performance, and everyday practicality. Powered by a 4.0-liter V6 engine producing 236 horsepower and 266 lb-ft of torque, this 4Runner delivers smooth, dependable power for city driving, highway travel, and weekend adventures. Paired with an automatic transmission and rear-wheel drive, it offers a solid and composed driving experience with the traditional body-on-frame toughness that has helped make the 4Runner one of Toyota's most respected SUVs. With 138,293 miles, this vehicle continues to reflect the long-term reliability and durability the 4Runner name is known for. The SR5 trim provides a comfortable and practical interior with plenty of passenger room and useful cargo space, making it a great fit for daily driving, family use, road trips, or outdoor activities. Its classic SUV design gives it a strong road presence while maintaining the versatility buyers expect from a 4Runner. Combining proven Toyota engineering, dependable V6 power, and rugged utility, the 2006 Toyota 4Runner SR5 is a capable and well-rounded SUV ready for its next owner.
