Dealer notes

2013 Ford E-450 Box Utility Work Truck Van. This unit is essentially a workshop on wheels, equipped with a properly operating Cummins Onan generator, rear-mounted heating and air conditioning, work shelving, and a Dirt Devil central vacuum system that actually works! Additional equipment includes an air compressor and vacuum pump system, multiple interior and exterior lighting options, 12V, 120V, and 240V electrical systems with receptacles throughout, shelving, drawers, cabinets, a step-up rear bumper, external air tank hookup, underbody storage compartments, dual rear wheels, and front-to-rear walk-through access with both front and rear entry doors. Additional features include a laptop pedestal mount, quad auxiliary switches, side-mounted ladder, and exterior material storage rack. This unit is basically a KUV on steroids, offering just about everything you could ever need in a fully equipped mobile office or workshop. Ready to go to work!
