Dealer notes

Step into commanding presence and refined elegance with this 2023 GMC Yukon XL Denali. Finished in a crisp Summit White exterior, this full-size SUV features an extended wheelbase that offers exceptional passenger space and cargo capability. Its striking exterior styling is anchored by 22" x 9" bright machined aluminum wheels with premium paint, while power-retractable assist steps with perimeter lighting offer easy entry and exit into the lavishly appointed Teak/Light Shale interior.Driven by a potent 6.2L 8-cylinder engine, this 2023 GMC Yukon XL delivers robust performance suited for both everyday commutes and long-distance travel. The heavy-duty Four Wheel Drive system provides surefooted traction and capability across challenging road conditions and changing weather. Additionally, the inclusion of an engine block heater ensures dependable performance and easier starts in colder climates, making this 4WD Denali as practical as it is powerful.Inside the cabin, passengers can relax in luxury while enjoying an open-air feeling provided by the power panoramic dual-pane sunroof. Driving confidence and highway comfort are further enhanced by adaptive cruise control, allowing for seamless travel on extended trips. Combining premium styling, advanced technology, and uncompromised space, this 2023 GMC Yukon XL Denali in Summit White stands out as an extraordinary full-size SUV for discerning buyers.
