Dealer notes

You probably know someone who owns one already. Now, it's your turn to own one! We have exactly what you need right here with our 2011 F-150 FX4. This FX4 trim packs a 3.5 Liter V6 that provides crisp, quick, and stout steering, enough even to push it toward the top of its class. With a standard 4WD system, the FX4 comes with an off-road suspension. Our FX4 SuperCrew has enough room for family and friends. The long list of features are sure to please. Check out our pictures and you will agree this is one nice truck! The F-150 got several upgrades back in 2010, some specifically aimed to improve safety, like its high-strength hydro-formed chassis. Dual front, front-side, and curtain-side airbags combine with antilock four-wheel disc brakes, an anti-skid system, and other safety features like post-crash alert and Trailer Sway Control. Accordingly, the 2010 F-150 has swept the NHTSA tests with five-star ratings. You are safe with our 2011 F-150! Treat yourself to a ride in this gorgeous truck! Print this page and call us Now... We Know You Will Enjoy Your Test Drive Towards Ownership!
