Dealer notes

If you are searching for a heavy-duty truck that commands respect on the road and dominates the job site, the 2026 Chevrolet Silverado 3500HD 4WD Crew Cab 172" LT is engineered for you. Sporting a striking Summit White exterior paired with a refined Jet Black interior, this commercial-grade pickup offers a bold aesthetic that matches its rugged capabilities. Designed with a spacious Crew Cab configuration, it provides plenty of room for your crew and gear, making it the ideal choice for long hauls, heavy trailering, and daily productivity. At the heart of this truck's legendary capability is the Duramax 6.6L Turbo-Diesel V8 engine, which is B20-diesel compatible and built to deliver unrelenting torque. This powerhouse is paired with an advanced Four Wheel Drive (4WD) system and a dual rear wheel (DRW) setup, providing the ultimate footprint for maximum stability and heavy-duty towing capacity. Whether you are pulling a massive trailer up steep inclines or navigating adverse terrain, the robust drivetrain and dually configuration of this Silverado 3500HD ensure confident, controlled performance when you need it most. Equipped to handle the toughest jobs straight from the factory, this model features the invaluable gooseneck / 5th wheel prep package and a durable Chevytec spray-on bedliner that guards the cargo bed against wear and tear. Ready for any environment, it also includes an engine block heater for reliable cold-weather starting, along with an LT235/80R17E all-terrain spare tire to keep you moving forward. Inside, the LT trim's comfortable cabin offers the perfect retreat after a hard day's work, cementing the 2026 Chevrolet Silverado 3500HD as the premier choice for buyers who demand absolute power, utility, and dependability.
