Dealer notes

2017 AUDI R8 V10 PLUS | 610 HP | FABSPEED EXHAUST | CARBON FIBER AERO | CARBON CERAMIC BRAKES Topline Auto Group is proud to present this exceptionally configured 2017 Audi R8 V10 Plus Quattro Coupe, finished in stunning Ibis White over a sophisticated Black leather interior. Combining exotic supercar performance with Audi's legendary Quattro engineering, the second-generation R8 V10 Plus delivers an extraordinary driving experience through its naturally aspirated V10 engine, lightweight construction, and precision handling. At the heart of this remarkable machine sits Audi's legendary 5.2-liter naturally aspirated V10 producing 610 factory horsepower and 413 lb-ft of torque, paired with a lightning-fast 7-speed S tronic dual-clutch transmission and Quattro all-wheel drive. With its exhilarating high-revving V10 soundtrack, instantaneous throttle response, and exceptional performance capabilities, the R8 V10 Plus stands among the most celebrated modern naturally aspirated supercars. This particular example has been enhanced with a carefully selected collection of premium aftermarket components, including a Fabspeed Performance Exhaust System, K&N Performance Intake, and extensive carbon fiber aerodynamic enhancements. The Fabspeed exhaust complements the naturally aspirated V10's distinctive soundtrack, while the upgraded K&N intake adds another performance-focused component to the engine configuration. The exterior features an impressive collection of carbon fiber enhancements, including a CAD Carbon Fiber Front Lip, Carbon Fiber Front Bumper Fins, Carbon Fiber Rear Diffuser, and Carbon Fiber Rear Spoiler. These carefully selected aerodynamic components enhance the R8's aggressive appearance while complementing its low, wide stance and sculpted mid-engine design. The desirable Carbon Ceramic Braking System delivers exceptional stopping capability, further emphasizing the R8 V10 Plus's performance-focused engineering. Inside, the premium Black leather cabin showcases Audi's signature craftsmanship, with the desirable Full Leather Package, Carbon Fiber Interior Trim, and Bang & Olufsen Premium Sound System. The Full Leather Package adds additional leather appointments to the dashboard, door panels, and interior surfaces, creating a refined cockpit that perfectly balances luxury with motorsport-inspired styling. The Bang & Olufsen audio system features 13 speakers and 550 watts of premium sound, providing an exceptional listening experience. Additional desirable factory options include Dynamic Steering and the 20-inch Forged Alloy Wheel Package, further elevating the R8's already impressive performance and luxury configuration. The vehicle also features full-front paint protection film, helping preserve the distinctive Ibis White exterior finish. With its naturally aspirated 610-horsepower V10, premium Fabspeed exhaust, extensive carbon fiber enhancements, carbon ceramic brakes, and sophisticated factory configuration, this Audi R8 V10 Plus offers an exceptional combination of exotic performance, design, and exclusivity.
